The Evangelische Hochschule Dresden (ehs) is an Endowed University of Applied Sciences with a nationally recognized and sought-after range of educational offerings in nursing (BSc/MSc), social work (BA/MA) and early childhood education (BA) as well as social management (MBA) and counselling (MBC). We are recognized for our contribution to professional development and our commitment to the communities we serve. In research, we are leaders in our region.

At ehs Dresden we value diversity and a respectful work environment.

We are looking to strengthen our department of nursing in teaching, research and further education. A Bachelor’s degree course in Nursing, a new post-registration Bachelor’s degree course in Nursing (RN to BSc) and a Master’s degree course in Nursing (Community Health Nursing / Advanced Nursing Practice) are our main study programs.

The Evangelische Hochschule Dresden has vacancies as from **1.09.2020** for the following professorships:

**Professor of Patient Education and Counselling (W 2, m/f/d)**

(50 % to 100 %)

**Professor of Public Health (W 2, m/f/d)**

(75 % to 100 %)

**Professor of Nursing – Nursing during the Life Course (W 2, m/f/d) (100 %)**

as well as vacancies for the following as from **01.09.2020** and **01.03.2021**:

**Two professors of Nursing (W 2, m/f/d) (100 %)**

As German is our teaching language, a good command of the German language is required. Further information, in particular regarding the scope of the positions and the selection criteria, can be found at:

https://www.ehs-dresden.de/hochschule/veroeffentlichungen/stellenausschreibungen/

The positions will be filled subject to the release of funds by our grant donors.

Your application with all the usual documents, including a description of your current and planned research priorities should reach us by 20 March 2020 and should be sent to:
